

PYRAMID
Healthcare, Inc.

Pyramid Healthcare's Outpatient Program and Dolminis Methadone Treatment Center in Altoona, Pennsylvania utilize an integrated treatment approach to conveniently and effectively care for adults and adolescents with a full continuum of substance use disorder programming at one convenient location.

Individualized treatment planning, evidence-based practices and collaboration with those involved in the client's treatment process combine to remove potential barriers and promote access to treatment through walk-in assessments and a Hybrid Treatment Model that allows clients to participate in treatment at the program or via teletherapy.

Center of Excellence Services

Individuals receiving treatment at the Pyramid Healthcare Center of Excellence are paired with a Registered Nurse or a Certified Recovery Specialist who provides advocacy and support to help them successfully remain in treatment. Our Care Management teams assist in facilitating ongoing access to care, and improving client engagement while providing client centered treatment on their pathway to recovery.
