## Specialized Treatment for Veterans

Veterans who are experiencing a negative impact on their behavioral health during or after transition to a civilian lifestyle can receive a combination of individual psychotherapy, family therapy, peer support services and integrative treatment methods to adopt healthy coping mechanisms, create distance from stressors, triggers and discomfort in a safe, non-judgmental environment.

**We are a proud member of Veterans Affairs  
Community Care Network (VA-CCN).**

## Life Skills Program

Life skills specialists and clinicians collaborate to provide the client with effective guidance and instruction on topics such as financial management, job preparation, communication skills/social etiquette, parenting, coping strategies, core skills, co-occurring groups, and the appropriate utilization of community resources with the goal of functioning productively in society free of drug and/or alcohol dependence.

## Individualized Educational Tracks

Duncansville offers an array of additional educational tracks that offer clients the opportunity to individualize their own treatment experience:

- » Parenting
- » Relapse Prevention
- » Anger Management
- » Gender Specific
- » Trauma Group
- » Nutrition

## Additional Activities

Clients can enhance their structured treatment experience by participating in a variety of creative therapies, including:

- » Arts Expression
- » Yoga
- » Drumming Circle
- » Alumni Guest Speakers
- » Community Service
- » Events & Outreach
