

## Partial Hospitalization Program at Altoona Outpatient Treatment Center

Our Partial Hospitalization Program (PHP) for adults utilizes evidence-based practices and curriculum to facilitate substance use recovery. Pyramid Healthcare's PHP offers intensive treatment in a less structured environment than a residential program.

Partial Hospitalization programming allows individuals to live at home while commuting to the program to participate in the following components of treatment:

**Individual Therapy**

**Group Therapy**

**Family Therapy**

### Additional Partial Hospitalization Program (PHP) Services:

- » On-site or Connection to Mental Health Services
- » On-site Recovery Services (Center of Excellence or Certified Recovery Specialist)
- » On-site Medication Assisted Treatment (MAT)
- » Telehealth Accommodations as Needed
- » Connection to Transportation Services
- » Link to Recovery Resources
- » Collaboration with Medication Assisted Treatment Providers
