

PYRAMID
Healthcare, Inc.

Belleville Inpatient Treatment Center

Located in Mifflin County, our 18-bed residential rehabilitation program offers variable lengths of stay to accommodate individual treatment needs specific to the adult male community. Our experienced clinicians and dedicated staff work closely and collaboratively with each client to provide effective, evidence-based substance use treatment program options focused on meaningful, long-lasting recovery.

What We Offer

- » 18-bed adult male residential program
- » Variable lengths of stay accommodation
- » Weekly individual sessions and 5 group therapy sessions per week
- » Daily recovery based support groups and regular attendance of community based support groups
- » Daily life skills programming
- » Daily therapeutic community meetings
- » Weekly community outings
- » Individual treatment utilizing evidence-based treatment models and relapse prevention

We do not discriminate against any patient in relation to admission, treatment, discharge, continuing care or employment based on race, color, religion, creed, national origin, sex, disability (including limited English proficiency) or sexual orientation. We offer priority admission to at-risk populations including IV drug users, adolescents, women with children, veterans, overdose survivors and preferential treatment services to pregnant women. Pyramid Healthcare, Inc. employees and the public may contact the Commission on Accreditation of Rehabilitation Facilities to report any concerns or register complaints about a CARF accredited health care organization by calling (866) 510-2273 or by email at feedback@carf.org.
