

Bilingual Services

at Chambersburg Outpatient Treatment Center

At Pyramid Healthcare's Chambersburg Outpatient Treatment Center, our dedicated Hispanic Liaison supports Spanish-speaking individuals by connecting them with community resources such as housing, employment, and legal assistance as well as healthcare and treatment services.

For more information, contact Reinaldo Luis Soto, Hispanic Liaison, at (223) 220-1266.

Our Hispanic Liaison:

- » Provides compassionate, empathetic and accountable support
- » Meets with individuals within the office and/or community setting to assess their needs
- » Serves as an advocate and resource broker for individuals within the community
- » Helps individuals develop independence by removing barriers to services
- » Collaborates with community agencies and organizations to identify areas of need
