Hammonton Detox and Inpatient Treatment Center

Pyramid Healthcare's Detox and Inpatient Treatment Center in Hammonton provides a trauma informed, person centered treatment model for men and women in search of meaningful, long-term recovery.

In addition to evidence-based treatment, clients participate in scheduled groups, individual counseling, and a variety of elective groups that support their transition to a sober lifestyle in an expansive setting.

What We Offer

- » Medically supervised detox
- » Dual diagnosis treatment
- » Medication Assisted Treatment (MAT)
- » 12-step program
- » Faith-based recovery
- » Trauma informed care
- » Motivational interviewing
- » Individual counseling
- » Group therapy
- » Anger management
- » Music therapy & yoga
- » Elective group options
- » Outdoor recreational activities

Adult Withdrawal Management

Pyramid Healthcare's Withdrawal Management Program ensures a safe, medically-supervised withdrawal from alcohol and other substances in a comfortable, non-hospital setting. Medical and psychiatric care is provided and nurses and counselors are on-duty around the clock, seven days a week. Services provided include:

- » Assessment & intake
- » Continuing care planning
- » Counseling
- » Crisis intervention
- » Appropriate referral

Adult Residential Care Services

Pyramid Healthcare's adult Residential Care Program offers a 14-28 day short-term and 90-180 day long-term variable length of stay based on client need and clinical appropriateness including:

Short-Term (14-28 days)

- » Medical assessment & management
- » Individual counseling
- » Group counseling
- » Targeted education
- » Case management
- » Discharge & aftercare planning
- » Appropriate referral & follow-up

Long-Term (90-180 days)

- » Trauma-sensitive treatment
- » Life skills curriculum
- » Mental wellness & coping skills
- » Physical health & well-being
- » Long-term goals
- » Discharge & aftercare planning
- » Holistic treatment options
