TREM Group

The Trauma Recovery and Empowerment (TREM) group empowers women to process and heal from the effects of trauma, mental health, and addiction in a safe, supportive environment.

Each topic in the curriculum-based group is specifically designed to help clients recognize their response to trauma and develop healthy coping and self-soothing skills. Talk therapy and grounding/meditation exercises further assist clients with emotional regulation.

Parenting Group

This group enables women to identify and implement healthy and effective parenting skills. Participants learn:

- » Self-Care Techniques
- » “I Feel” Statements
- » Rebuilding trust with children
- » Growth promoting activities

Medication Assisted Treatment (MAT)

We educate, induct, and maintain clients on all forms of Medication Assisted Treatment (MAT) including Suboxone®, Sublocade® Vivitrol®, and Methadone. Physician approval is required for induction while in treatment.

Lehigh Valley Connections Pregnancy Program

Our treatment team collaborates with Lehigh Valley Health Network and Lehigh County Drug and Alcohol Abuse Services to provide support, programs and aftercare options for pregnant women who are seeking substance use disorder treatment. Ongoing wrap-around services offered, include:

- » Certified Recovery Specialists (CRS)
- » Aftercare
- » Housing resources
- » Transportation to & from appointments
- » Case management
