

PYRAMID Healthcare, Inc.

Pennsylvania Substance Use Partial Hospitalization Programs (PHP)

5 Locations • Medical Assistance & Most Commercial Insurance Accepted

Our highly structured Partial Hospitalization Programs (PHP) are designed for individuals with complex substance use disorders or co-occurring mental health disorders who do not require 24-hour residential care. Clients attend PHP for 20 or more hours per week, up to 6 hours per day, returning home in the evenings.

Adults in PHP at Pyramid Healthcare engage in individual counseling, group therapy sessions and life skills workshops. Additional partial hospitalization services include:

- » Onsite (or connection to) mental health services
- » Onsite recovery services (Center of Excellence or Certified Recovery Specialist)
- » Onsite Medication-Assisted Treatment (MAT)
- » Telehealth accommodations as needed
- » Connection to transportation services
- » Link to recovery resources
- » Collaboration with Medication-Assisted Treatment providers
