

## Center of Excellence (COE) at Philipsburg Outpatient Treatment Center

Bellefonte & Philipsburg area residents who are experiencing issues related to an Opioid Use Disorder now have access to a 24/7 toll-free number to initiate Center of Excellence Services offered at our Philipsburg, PA location.

Our experienced Care Management Team of Recovery Support Specialists, and/or Engagement Coordinators provide expert advocacy and support designed to help eligible individuals achieve their treatment and non-treatment goals.

The Care Management Team assists individuals with:

- » Referrals to physical health, mental health, behavioral health, and community resources
- » Skill building for independent problem resolution
- » Life skills
- » Self-esteem building
- » Recovery support system development and strengthening

Call **(844) 444-0023** or visit **[bit.ly/PHCCOE](https://bit.ly/PHCCOE)** to refer or learn more about the Center of Excellence for Bellefonte & Philipsburg area residents.
