# Treatment Service Updates

## Pittsburgh Detox & Inpatient Treatment Center

Pyramid Healthcare's Detox and Inpatient Treatment Center in Pittsburgh, PA is proud to announce a **renewed commitment** to our clients, our referral sources, and the Pittsburgh area communities we serve.

We know that high-quality, compassionate care provided by experienced, knowledgeable clinicians in a safe, supportive environment has a profoundly positive effect on men and women in search of meaningful, long-term recovery.

With that goal in mind, we've thoughtfully rededicated our efforts and redesigned every aspect of our treatment delivery model and services to facilitate the successful transition to a sober lifestyle, including:

- » **NEW** case coordinator team to assist with continuity of care, communication & aftercare
- » **IMPROVED** client intake process to create smooth transition into care, focusing on client experience & safety
- » **ENHANCED** clinical programming with a focus on individualized approach to care
- » **REVAMPED** program layout to improve client experience
- » **UPDATED** withdrawal management protocols, as well as immediate transition to Medication Assisted Treatment (MAT)
- » **INCREASED** access to medical & psychiatric care with expanded prescriber hours
- » **REFRESHED** environment warmly welcomes clients & offer support throughout recovery
- » **NEW** on-site training & development program for employees
