Center of Excellence (COE) **at Pittsburgh Outpatient Treatment Center**

Pittsburgh area residents who are experiencing issues related to an Opioid Use Disorder now have access to a 24/7 toll-free number to initiate Center of Excellence Services.

Our experienced Care Management Team of Recovery Support Specialists provide expert advocacy and support designed to help eligible adults achieve their treatment and non-treatment goals.

The Care Management Team assists individuals with:

- » Referrals to physical health, mental health, behavioral health, and community resources
- » Skill building for independent problem resolution
- » Life skills
- » Self-esteem building
- » Recovery support system development and strengthening

Call **(844) 444-0023** or visit **bit.ly/PHCCOE** to refer or learn more about the Center of Excellence in Pittsburgh.
