Quakertown Residential Treatment Center

Pyramid Healthcare's Residential Treatment Center in Quakertown, PA provides a trauma-informed, person-centered treatment model for men in search of meaningful, long-term recovery. Our program is dually licensed (RTFA certified by OMHSAS), and led by a team of behavioral healthcare professionals proficient in co-occurring treatment to diagnose and address both substance use and mental health disorders.

Residents are encouraged to participate in a variety of gender-specific services and activities specifically designed to support and enhance their unique recovery efforts.

Medication Assisted Treatment (MAT)

We educate and maintain clients on all forms of MAT including Suboxone®, Sublocade® and Vivitrol® and provide methadone guest dosing through local community partners.
