

# Bilingual Services

## at Waynesboro Outpatient Treatment Center

Pyramid Healthcare's Outpatient Treatment Center in Waynesboro, PA now offers comprehensive bilingual treatment services for Spanish-speaking adults and adolescents aged 14 and older who struggle with mental health.

Our bilingual mental health program is tailored to meet each individual's unique needs, including:

- » Evidence-based therapies
- » Individual counseling
- » Family support

Waynesboro's Pyramid Healthcare team works closely with clients and their families to promote lasting recovery and well-being. To initiate a referral, call (888) 694-9996.

### Walk-in assessments available

Bilingual walk-in drug & alcohol and mental health assessments are available on **Mondays and Wednesdays from 9:00 PM – 2:00 PM.**
