## ACTT Services

Pyramid Healthcare's Assertive Community Treatment Team (ACTT) works within the local community to provide services and support that meet the treatment, vocational, and housing needs of individuals.

Wraparound support is available to individuals with severe and persistent mental health or co-occurring issues with the highest risk of hospitalization, homelessness, or incarceration.

## ACTT Members

ACTT is comprised of a comprehensive team of professionals from a wide variety of disciplines who provide treatment and guidance for symptom management, independent living, competitive employment, housing support, and recovery from substance use and mental illness.

- » Psychiatrist
- » Physician Assistant
- » Nursing Staff
- » Licensed Team Leaders
- » Substance Use Clinicians
- » Licensed Therapists
- » Vocational & Housing Specialists
- » Additional Case Managers

ACTT is contracted with geographic-specific NC Medicaid Managed Care Organizations.

## Who ACTT Helps

ACTT improves outcomes for individuals with severe mental illness who are most at risk of psychiatric crisis and/or affected by other social determinants of health, including those who:

- » Have visited a hospital for addiction or are at risk of hospitalization
- » Have been arrested due to their behavioral health issues or are at risk of incarceration
- » Are in financial difficulty
- » Are having trouble with medication
- » Have an existing medical condition that makes their addiction or behavioral health disorder worse
- » Have auditory or visual hallucinations
- » Do not have a support system of family members or friends
