## PYRAMID HEALTHCARE ANNOUNCES QUALIFACTS PARTNERSHIP

**Altoona, PA and Nashville, TN - October 10, 2016** — Pyramid Healthcare, Inc. announced today an agreement with Qualifacts, a provider of electronic medical records and revenue cycle management systems for behavioral healthcare providers. Pyramid Healthcare and its 5 subsidiary companies will use CareLogic at its 80+ locations.

Pyramid Healthcare is the largest private provider of behavioral healthcare services in Pennsylvania and New Jersey, with 1,700 employees working in a variety of residential and outpatient settings. Pyramid Healthcare also has inpatient and outpatient locations in Asheville, NC.

Qualifacts is the largest provider of Software-as-a-Service and web-based electronic health records for the behavioral health and human services market, with over 50,000 providers and staff members using the platform.

Jonathan Wolf, CEO of Pyramid Healthcare, commented, “This was the culmination of a very exhaustive and thorough selection process. We are extremely excited with the Qualifacts team and the CareLogic product, and are anxious to put this advanced electronic record and process in place in the Pyramid system.”

David Klements, CEO of Qualifacts, stated, “Qualifacts is proud to have been selected by Pyramid Healthcare. They have a very large and complex system of care and network of facilities across the country. We are confident that the significant investments we’re making in the CareLogic platform will enhance their operations and facilitate their growth objectives.”
